

GOING TO THE SHOE SHOP

ShuZu

You will be greeted at the door and given an area to sit in

Your feet will then be measured with our foot gauge

We will then get shoes from the stock room for you to try

A selection of shoes will be brought out to you and you will try them on

You will have a walk around in them to see if they fit and are comfortable

When you find the best shoes for your feet, you will go to the till to pay...

Feet measured, shoes fitted - WELL DONE!

Goodbye, see you next time!
